Who We Are

Conor Cosmo is a leading manufacturer of premium **skincare, haircare, and personal care** products, helping brands transform innovative ideas into successful products. We specialize in **Third-Party Manufacturing**, Private Label, White Label, and Custom Formulation Development, delivering end-to-end solutions under one roof.

With advanced manufacturing facilities, an experienced R&D team, and stringent quality control processes, we develop high-performance products that meet global quality standards. From concept development and formulation to packaging, labeling, and large-scale production, every product is crafted with precision, innovation, and consistency.

Whether you're launching a new brand or expanding your product portfolio, **Conor Cosmo** provides flexible manufacturing solutions, premium ingredients, innovative formulations, and dependable support to help your business grow with confidence.

Our Vision:

To become a globally trusted manufacturing partner, empowering beauty and personal care brands through innovation, quality, and sustainable manufacturing solutions.

Our Mission:

To develop safe, effective, and innovative skincare, haircare, and personal care products.
To deliver complete manufacturing solutions from formulation to final packaging.
To maintain the highest standards of quality, compliance, and customer satisfaction.
To build long-term partnerships through transparency, reliability, and continuous innovation.
Our Core Values

Quality Excellence:

Committed to delivering products that meet the highest quality and safety standards.

Innovation:

Continuously developing advanced formulations and modern manufacturing solutions.

Integrity:

Building trust through transparency, honesty, and ethical business practices.

Customer Success:

Understanding our clients' needs and helping their brands grow successfully.

Reliability:

Ensuring consistent quality, timely delivery, and dependable manufacturing support.

Sustainability:

Promoting responsible manufacturing practices and environmentally conscious solutions.

Our Promise:

Innovating Beauty. Manufacturing Excellence. Building Brands. From concept development and formulation to packaging, labeling, and large-scale production, we ensure every product is crafted with precision and consistency.

Whether you're launching a new brand or expanding your product range, **Conor Cosmo** provides flexible manufacturing, premium ingredients, innovative formulations, and reliable support to help your business grow with confidence.

COMPLETE

SKIN CARE RANGE

Your skin reflects your story
care for it with love.
